

Tension

Looking, seeing, watching, feeling
What am I doing here?
What are you looking at?
I don't know what to do
Waiting for that moment to come

Trying, being, thinking, dreaming
Dreaming of what has come
Thinking of what to do
Knowing that it has been done
Nothing you can really do

I feel all the pressure
I feel like in trance
I feel all the tension
Can't stand all the stress

Seeing, knowing, touching, screaming
Now I see what he's done
I don't know what to do
I can not believe
I hate what he did to you

He made you cry
He made you die
Why, why
How could he make you die?
How could he make you die?
I couldn't even say goodbye
